

Pat Elder *for* Congress

Maryland's 5th Congressional District

Pat Elder, a life-long peace and justice activist, is running as a Green against Democratic House Whip Steny Hoyer.

Pat will be on the ballot in November.

Elder calls for:

- Shutting down Chalk Point and Morgantown coal fired stations in the 5th district.
- A cessation of weapons testing in the Potomac and an immediate cleanup of Superfund sites at Indian Head Naval Warfare Center and Patuxent River Naval Air Station.
- Subjecting the military's ongoing environmental degradation to state oversight.
- Medicare for all, public financing of elections, free community college.
- A living wage.
- Strong measures to correct racial injustice.
- Non-violent, multilateral solutions to the problems facing our country.
- Eliminating the Social Security taxable maximum of \$128,400.
- Meaningful cuts in military spending and increasing the top tax for folks making more than \$2 million to 50%.

That'll pay for everything.
